Dear Homeowner(s):

The Association has hired Don F. Kaiser Painting LLC, 215-343-7557, to paint our exterior entrance doors/trim, sidelights, porch post, shutters, carport headers, posts and lamppost poles. The painter will start the project on June 23rd 2023, weather permitting.

During the painting project, the painter will knock on your door. If you are not home, they will paint your door and leave a tag for you to schedule an appointment to paint the small remaining strip that can't be reached with the door closed.

Should you have any questions, please contact Amy Wert, Property Manager at 215-343-1550 or contact the painter.

Sincerely,

Board of Directors
